DECISION

1. In accordance with section 21 of the *Electricity Industry Act 2004* (**Act**), the Economic Regulation Authority (**Authority**) has approved minor amendments to the Tronox Management Pty Ltd's (**Licensee**) Electricity Generation Licence 23 (**EGL23**).
2. The amendments to EGL23 are to reflect the change of name of the Licensee and to correct an erroneous ABN number in the previous licence version. The licence area map has been updated to reflect the new version of the licence issued by the Authority.
3. As required by section 23(1) of the Act, the Authority will publish a notice of its approval of the amendments in the *Government Gazette* as soon as is practicable.

REASONS

4. The Licensee advised the Authority of the change of name of the company from Tiwest Pty Ltd to Tronox Management Pty Ltd on 12 July 2012. The change of name took effect on 18 June 2012 as per the Certificate of Registration on Change of Name, issued by the Australian Securities and Investments Commission.
5. The Licensee also advised the Authority that the company ABN number was incorrect in the previous licence version and requested it to be corrected.
6. Pursuant to section 21 of the Act, the Authority may amend a licence if the applicant has made the application in a form approved by the Authority and paid the prescribed application fee. Tronox Management Pty Ltd has satisfied these requirements.
7. Section 9(1) of the Act states that the Authority must not exercise a power conferred by Part 2, Division 3 of the Act (general licensing provisions) unless the Authority is satisfied that it would not be contrary to the public interest to do so.
8. Section 9(2) of the Act provides that, when determining whether the exercise of the power would not be contrary to the public interest, the Authority must, without limiting the other matters that may be taken into account, take into account the matters referred to in section 8(5) of the Act.
9. The Authority has not found any evidence that granting the amendment would be contrary to the public interest. Accordingly, the Authority has decided to approve the amendment to EGL23.
