## Proposed Price Control Variations for Western Power

### PUBLIC SUBMISSIONS

The Economic Regulation Authority has begun publishing a number of public submissions it has received on its [Issues Paper](#) regarding a proposed price control variation from Western Power's Access Arrangement for the third access arrangement period (2012/13 to 2016/17).

These public submissions, along with all public submissions received prior to the submission deadline (**4:00 pm WST on Friday, 31 May 2013**), will be published on the Authority's [website](#) shortly after receipt.

On 17 May 2013, the Authority published a [notice](#) inviting public submission on the Authority's Issues Paper on a proposed variation to the Access Arrangement for the Western Power Network for the third access arrangement period. That notice, along with the Issues Paper, provides the necessary details for parties interested in making a submission to the Authority.

The Authority appreciates input from interested parties on its Issues Paper and will consider the matters raised in submissions.
