Guidelines for the Rate of Return for Gas Transmission and Distribution Networks

STAKEHOLDER WORKSHOP

As part of its work program to develop the Rate of Return Guidelines for Gas transmission and distribution networks, the Economic Regulation Authority's Secretariat will hold a stakeholder workshop on approaches to estimating the cost of equity and debt.

The purpose of the workshop will be to discuss potential revisions to the approaches for estimating the cost of equity and debt. Stakeholders will also be invited to make written submissions in response to matters raised in the workshop, provided that these are received by close of business, 12 November 2013.

For more information on the work program relating to the Rate of Return Guidelines for Gas, see the Authority's [Draft Guidelines](#) and accompanying [Explanatory Statement](#).

The **workshop will be held on Thursday, 7 November 2013 from 10am to 4pm at:**

Training Room 1
Ground Floor, Albert Facey House
469-489 Wellington Street
PERTH WA 6000

Lunch and refreshments will be provided. Please limit attendance to one person per organisation. An agenda for the workshop will be sent to participants via email.

Please RSVP to Richard Begley, Regulatory Advisor, by **Thursday, 31 October 2013** by email to publicsubmissions@erawa.com.au
