## Call for expressions of interest

### GMCCC MEMBERSHIP TERM 2014 - 2016

Expressions of interest are called for six representatives from industry and consumer representative groups to join the Gas Marketing Code Consultative Committee (**GMCCC**) for a two-year term.

The Economic Regulation Authority (**Authority**) established the GMCCC in 2006 to provide advice to the Authority on matters relating to the *Gas Marketing Code of Conduct* (**Code**). The Code regulates and controls the conduct of retailers and gas marketing agents that supply and market gas to residential and non-residential small use customers (those customers who consume no more than 1TJ of gas per annum).

As required under the *Energy Coordination Act 1994*, the GMCCC undertakes a review of the Code and provides advice to the Authority every two years.

The Authority is seeking three people from industry or industry representative organisations, and three people from consumer organisations. Members are appointed as individual members, not organisational members, and may be eligible for travel reimbursement and sitting fees.

A copy of the GMCCC's [terms of reference](#) is available on the Authority's website.

Appointments to the GMCCC are for the membership term 1 October 2014 – 30 September 2016.

Expressions of interest, using the [form](#) available on the Authority's website, should be provided by Monday, 15 September 2014 to:
