Decision to amend Electricity Integrated Regional Licence 7

ALINTA DEWAP PTY LTD

The Economic Regulation Authority has amended Electricity Integrated Regional Licence 7 (**EIRL7**) held by Alinta DEWAP Pty Ltd to correct some typographical errors.

The amended EIRL7, Version 2 is available on the Authority's [website](#).

The Authority made the decision in accordance with section 22 of the *Electricity Industry Act 2004* (**Act**). Section 9(1) of the Act states that the Authority must not exercise a power conferred by Part 2, Division 3 of the Act unless the Authority is satisfied that it would not be contrary to the public interest to do so. The Authority has not found any evidence that the amendments would be contrary to the public interest.

The Authority considered that the proposed amendments were minor and did not consult publicly in accordance with the Authority's Public Consultation Guidelines - For Electricity, Gas & Water Licences and Electricity & Gas Standard Form Contracts (July 2006).

As required by section 23(1) of the Act, the Authority will publish a notice of the amendments in the Government Gazette as soon as is practicable.
