Mr Lyndon Rowe  
Chairman  
Economic Regulation Authority  
Level 6, 197 St Georges Terrace  
Perth WA 6000

Dear Lyndon

**AMENDED PROPOSED ACCESS ARRANGEMENT REVISIONS  
SUPPORTING DOCUMENTATION**

In addition to Western Power's amended proposed Access Arrangement Revisions submitted to you today for the regulatory period ending 30 June 2012, I am pleased to provide to you with the following additional supporting documentation to assist with your final review:

1. Electronic (MS Word) versions of a number of the submission documents with changes tracked (not for publication), including:
  - Main Access Arrangement document;
  - AA Appendix 1 - Applications & Queuing Policy;
  - AA Appendix 2 - Transfer & Relocation Policy;
  - AA Appendix 3 - Contributions Policy;
  - AA Appendix 4 - Electricity Transfer Access Contract;
  - AA Appendix 7 - Reference Services;
  - AA Appendix 8 - Explanatory Notes on Price Control; and
  - AA Appendix 9 - Explanatory Notes on Headworks Charges.
2. An electronic version of a number of supporting documents (not for publication):
  - A detailed project listing associated with capital and operating expenditure forecasts;
  - Additional details supporting the transmission and distribution price list information; and
  - A legal opinion on the interpretation of the term "force majeure" in relation to transmission service standards.

Western Power looks forward to the Authority approving the amended proposed Access Arrangement revisions in early 2010.

Yours sincerely

**DOUG ABERLE  
MANAGING DIRECTOR**
