Attention Shirin Renaud

Dear Shirin,

Post Audit Implementation Plan

We refer to your email dated 13 December 2011 with regard to Newmont AP Power Pty Ltd providing the post audit implementation plan as part of the requirement when lodging the 2011 Audit Reports for ERL 13.

Accordingly Newmont provides the table below as its PAIP:

Item	Action	By Whom	When
110	Implement a procedure to recognise all regulatory obligations and the required response times.	Senior Advisor	Mar 2012

We trust this meets our audit requirements for the ERA to accept the audit reports as lodged previously by email.

Yours sincerely,

Tim Gordon
Senior Advisor APAC Non Managed Joint Ventures
