Electricity Compliance Reporting Manual

AMENDED ELECTRICITY COMPLIANCE REPORTING MANUAL

The Economic Regulation Authority has approved the publication of the amended *Electricity Compliance Reporting Manual (Manual)*. The most recent version of the Manual was published in May 2011.

The amendments made to the Manual include:

- Section 3 – reworded to refer to the Authority’s power to require licensees to provide information to the Authority under section 11/Schedule 1 of the *Electricity Industry Act 2004* and amend the email address for submitting annual performance reports.
- Section 4 – References to reclassification of obligations removed from Table 1 and a new paragraph has been inserted that clarifies the discretion available to the Authority to apply a higher rating to an obligation than would be the case if the criteria in Table 1 were applied.
- Section 5 – minor re-wording and the insertion of an explicit obligation for licensees to address all six information elements in the table in section 7 when preparing a compliance report.
- Section 6 – removed the Authority’s postal address from the generic compliance report template.
- Section 8 – updated the Type 1 compliance obligations to reflect amendments made in sections 13, 14 and 15 (see below).
- Section 13 – Amended to include new distribution licence conditions regarding the Priority Restoration Register.
- Section 14 – Amended to incorporate the compliance obligations in the *Code of Conduct for the Supply of Electricity to Small Use Customers 2012*.
- Section 15 – Amended to incorporate the compliance obligations in the *Electricity Industry Metering Code 2012*.
- Section 18 – Amended to update the distributor and retailer reporting indicators in Part 13 of the *Code of Conduct for the Supply of Electricity to Small Use Customers 2012* and other minor corrections.

A copy of the [final Manual](#) and a [marked up copy of the Manual](#) are available on the Authority's website.
