20 February 2013

Dear Mr Moerch,

Thank you for the opportunity to comment on the Electricity Retail Licence Application of Community Electricity Pty Ltd. We believe that the issue of a license to Community Electricity would not be contrary to the public interest.

Dr Gould has shown significant knowledge and experience in the WA Electricity Retail market over many years and the retail model proposed is novel which should result in greater competition in the market.

Yours Sincerely

**Ben Tan**
