2013 Review of the Gas Marketing Code of Conduct

The Gas Marketing Code Consultative Committee (**GMCCC**) seeks public comment on its [Draft Review Report](#) of the *Gas Marketing Code of Conduct* (**Code**). The report represents the GMCCC's preliminary views on issues it has identified in undertaking the 2013 statutory review of the Code.

The *Energy Coordination Act 1994* (**Act**) requires the GMCCC to undertake a review of the Code every two years and provide a report to the Authority.

The Act states that the purpose of the review is to re-assess the suitability of the provisions of the Code for the purposes of the Code objective, which is to:

...regulate and control the conduct of gas trading licensees and gas marketing agents with the object of protecting customers from undesirable marketing conduct and defining standards of conduct in the marketing of gas to customers.

The GMCCC has made a number of preliminary recommendations to retain, amend, delete or add to the provisions of the Code.

It now invites written submissions on the recommendations, questions asked and any other matters relevant to the Code from interested parties.

Submissions, addressed to Mr Paul Kelly, Chairman GMCCC, are due by **4pm (WST) on Monday, 8 July 2013**.
