PERFORMANCE AUDIT AND ASSET MANAGEMENT SYSTEM REVIEW REPORT

The Economic Regulation Authority today published the 2012 performance audit (**Audit**) and asset management system review (**Review**) report for Tronox Management Pty Ltd's (**Tronox**) electricity generation licence EGL23.

Action by the Authority

The Authority is pleased with both Tronox's compliance with its licence conditions, and with the effectiveness of their asset management system.

The Authority has decided to increase the Audit and Review period from 24 months to 36 months. The next Audit and Review will cover the period from 1 January 2013 to 31 December 2015, with the report on the Audit and Review to be provided to the Authority by 31 March 2016.

A copy of the Audit and Review report, including Tronox's post-audit and post-review implementation plans, is available on the Authority's [website](#).
