Dear Sir;

**Re: Amendment of Water Services Operating Licence No 42 (OL42)**

I refer to your correspondence dated the 4<sup>th</sup> July 2013 regarding approval for amending our current Water Services Operating Licence No 42.

By this letter we would like to amend terminology used in our approved licence, as Aquasol will be providing "Non Potable Services" instead of "Irrigation Services" to Lancelin South Development.

Non Potable Water will be used in urban areas for lawn watering, car washing, etc. No water will be used for agricultural purposes.

I trust this information satisfactorily addresses the points raised in your correspondence and I look forward to your favourable response.

In the meantime, should you have any queries, please do not hesitate to contact myself directly.

Yours Faithfully
