Guidelines for the Rate of Return for Gas Transmission and Distribution Networks

STAKEHOLDER WORKSHOP BACKGROUND PAPERS

As part of its work program to develop the Rate of Return Guidelines for Gas transmission and distribution networks, the Economic Regulation Authority's Secretariat is holding a stakeholder workshop on approaches to estimating the cost of equity and debt.

An [agenda](#), a [background paper on the return on equity](#), and a [background paper on the return on debt](#) have now been posted on the Economic Regulation Authority website.

The purpose of the workshop is to discuss potential revisions to the approaches for estimating the cost of equity and debt. Stakeholders have also been invited to make written submissions in response to matters and material raised in the workshop, provided that these are received by close of business, 14 November 2013. Submissions may be emailed to publicsubmissions@erawa.com.au.

For more information on the work program relating to the Rate of Return Guidelines, see the Authority's [Draft Guidelines](#) and accompanying [Explanatory Statement](#).

The workshop will be held on **Thursday, 7 November 2013 from 10am to 4pm at:**

Training Room 1
Ground Floor, Albert Facey House
469-489 Wellington Street
PERTH WA 6000
