Mid-West and South-West Gas Distribution System

PROPOSED REFERENCE TARIFF BEGINNING 1 JANUARY 2014

The Economic Regulation Authority (Authority) has decided not to approve ATCO Gas Australia Pty Ltd's (ATCO's) proposed reference tariff variation beginning 1 January 2014 for the Mid-West and South-West Gas Distribution System, which was submitted on 11 November 2013.

A copy of the Authority's Decision, along with a copy of a public version of ATCO's Tariff Variation Report, is available on the Authority's [website](#).

The National Gas Rules (r. 97(4)) and the approved access arrangement for the Mid-West and South-West Gas Distribution System provide for the Authority to approve or not approve the reference tariff variation proposal in the form submitted.

Where the Authority does not approve a reference tariff variation proposal, ATCO can make a further proposal in line with the Authority's Decision, or provide additional information in support of its proposal.
