Electricity Retail Corporation (t/a Synergy)

ELECTRICITY STANDARD FORM CONTRACT

The Economic Regulation Authority has approved an amended standard form contract for the supply of electricity to small use customers as submitted by the Electricity Retail Corporation (t/a **Synergy**).

- [Decision](#)
- [Synergy's amended standard form contract](#)

The proposed amended standard form contract was released for public comment in December 2011. One submission was received. Due to substantial changes subsequently made by Synergy, the contract was released for public comment again in March/April 2013. One submission was received.
