Western Power's Technical Rules

EXEMPTIONS TO WESTERN POWER'S TECHNICAL RULES

The Economic Regulation Authority has published a [notice](#) provided by Western Power notifying the Authority of exemptions granted to its Technical Rules.

Western Power's Technical Rules set out the standard requirements for customer connections. Under certain circumstances, Western Power may exempt a customer from complying with one or more requirements of the Technical Rules.

If such an exemption is made, Western Power is required under section 12.38 of the *Electricity Networks Access Code 2004* (**Access Code**) to notify the Authority and the Authority must place the notice on its public register.
