Draft Decision

1. Following consideration of the Gas Marketing Code Consultative Committee's 2015 Final Review Report (**Final Report**), the Economic Regulation Authority (**Authority**) proposes to amend the *Gas Marketing Code of Conduct* (**Code**).
2. A copy of the proposed new Code, both with tracked changes (**Appendix 1**) and without tracked changes (**Appendix 2**), is attached to this Draft Decision.

Background

3. The Code regulates and controls the conduct of the holders of trading licences (gas retailers) and gas marketing agents, with the object of protecting customers from undesirable marketing conduct; and defining standards of conduct in the marketing of gas to customers.
4. Under section 11ZPO of the *Energy Coordination Act 1994* (**Gas Act**), the Authority is required to establish a committee to advise it on matters relating to the Code. This committee is known as the Gas Marketing Code Consultative Committee (**GMCCC**).
5. Under section 11ZPV of the Gas Act, the GMCCC must carry out a review of the Code as soon as practicable after the first anniversary of its commencement and after the expiry of each 2 yearly interval after that anniversary. The object of a review is to re-assess the suitability of the provisions of the Code for the purposes of section 11ZPM(2).
6. The review of the Code commenced in July 2014.
7. The Gas Act requires that the GMCCC undertake consultation with interested parties before it provides its advice to the Authority. The GMCCC published its Draft Review Report (**Draft Report**) on 12 December 2014, promoting the public consultation period via an email to those registered with the Authority as interested parties and by releasing a notice on the Authority's website. The closing date for submissions on the Draft Report was 16 January 2015.
8. Submissions were received from the following parties:
 - Synergy
 - Alinta Energy
9. The submissions form appendices 4 and 5 of the GMCCC's Final Report, which is available on the Authority's website.
10. Following receipt of the submissions, the GMCCC considered the issues raised and subsequently approved the Final Report to be submitted to the Authority. The Final Report was provided to the Authority on 24 February 2015.

Response to the GMCCC's Final Report

11. The GMCCC made two recommendations to the Authority. Each recommendation and the Authority's response is set out below:
12. **Recommendation 1** – That the Authority write to the Minister for Energy to express concern that there remain outstanding issues in relation to:

- (a) reference to the AGA Code in the *Energy Coordination (Customer Contracts) Regulations 2004*;
 - (b) the definition of 'marketing' within the Gas Act; and
 - (c) the ambiguity of the definition of 'contract' under Regulation 6(5) of the *Energy Coordination (Tariff) Regulations 2000*.
13. In relation to part (a) of Recommendation 1, the GMCCC made this recommendation as it is widely recognised in the gas industry that the Australian Gas Association Customer Service Code (**AGA Code**) is no longer in force and it contains provisions that are no longer current or relevant to the gas market in Australia. As a result, there may be confusion caused by the reference to the AGA Code in the *Energy Coordination (Customer Contracts) Regulations 2004*. Further information on this recommendation is contained in the GMCCC's Final Report on page 8.
14. In relation to part (b) of Recommendation 1, the GMCCC made this recommendation because the definition of 'marketing' in the Gas Act captures a wide range of contact with a customer, not all of which is related to marketing. Further information on this recommendation is contained in the GMCCC's Final Report on page 8.
15. In relation to part (c) of Recommendation 1, the GMCCC made this recommendation because of the ambiguity surrounding the definition of 'contract' under Regulation 6(5) of the *Energy Coordination (Tariff) Regulations 2000*. As a result of this ambiguity, it is unclear whether there is a requirement for a retailer to offer a standard form contract. Further information on this recommendation is contained in the GMCCC's Final Report on page 9.
16. The Authority accepts Recommendation 1.
17. **Recommendation 2** – Insert the following wording as clause 2.7 in the Code and renumber existing clauses 2.7 – 2.9 as 2.8 - 2.10.
 - 2.7 Compliance
 - (1) A gas marketing agent who contravenes a provision of this Code commits an offence.
Penalty -
 - (a) for an individual, \$5 000;
 - (b) for a body corporate, \$20 000.
 - (2) If a gas marketing agent of a retailer contravenes a provision of this Code, the retailer commits an offence.
Penalty –
 - (a) for an individual, \$5 000;
 - (b) for a body corporate, \$20 000.
 - (3) It is a defence to a prosecution for a contravention of subclause (2) if the retailer proves that the retailer used reasonable endeavours to ensure that the gas marketing agent complied with this Code.
18. The GMCCC made Recommendation 2 in order to achieve consistency with the *Code of Conduct for the Supply of Electricity to Small Use Customers (Electricity Code)* which contains a 'compliance' clause. The addition of this clause to the Gas Code will mean that the Code is not only enforceable against retailers (as a condition of their licence) but also against gas marketing agents. Further information on this recommendation is contained in the GMCCC's Final Report on page 11.
19. The Authority accepts Recommendation 2.

Proposed amendments to the Code

20. The Gas Act clearly outlines the requirements of a Code review and the process that the Authority must follow if it seeks to amend the Code.
21. The Authority is required, under section 11ZPU of the Gas Act, to refer the proposed amendments to the GMCCC for advice.
22. The Authority has sent a letter to the GMCCC requesting that this advice be provided.
23. The Gas Act requires that the GMCCC provide interested parties with an opportunity to comment before providing its advice to the Authority.
24. Following receipt of the GMCCC advice, the Authority will consider the advice and make a final decision regarding the amendments.
