Amendments to the REMCo Retail Market Rules

DECISION

The Economic Regulation Authority (**ERA**) has approved amendments to the Retail Energy Market Company's (**REMCo**) Retail Market Rules, which are part of the Retail Market Scheme (**Scheme**) providing for the operation of the Western Australian Gas Retail Market.

On 16 March 2015, REMCo submitted Rule Change proposals C03/14S, C04/14R and C01/15R to the ERA for approval.

Rule Change proposal C03/14S will amend the Scheme to allow the network operator to respond automatically to bulk, basic metered, energy history requests, by all retailers.

Rule Change proposal C04/14R will establish a two business day timeframe for retailers to withdraw a transfer where a customer withdraws their consent.

Rule Change proposal C01/15R will amend Market Rule 149(5) to correct a typographical error.

The ERA has approved the amendments to the Retail Market Rules, which will take effect on 24 April 2015.

Our decision paper explaining the reasons for the approval is available on our [website](#).
