Dear Mr Watkinson

## **Final Advice on ERA Proposed Amendments – 2015 Review of the *Gas Marketing Code of Conduct***

I refer to your letter dated 12 March 2015 requesting advice on the amendments to the *Gas Marketing Code of Conduct* (Code) proposed by the Economic Regulation Authority (Authority).

In accordance with section 11ZPU of the *Energy Coordination Act 1994* (Act), the Gas Marketing Code Consultative Committee (GMCCC) has undertaken consultation with interested persons regarding the Authority's proposed changes to the Code.

The GMCCC provided a public consultation period from 20 March to 10 April 2015. No submissions were received.

The GMCCC has considered the amendments proposed by the Authority, along with the absence of any submissions on those amendments, and recommends that the Authority proceed with the amendments as outlined in its Draft Decision.

If you have any queries, please contact me.

Yours sincerely

  
Cathryn Greville
