Surrender of Electricity Generation Licence EGL15

CSBP LIMITED

The Economic Regulation Authority (**ERA**) advises that CSBP Limited has surrendered its electricity generation licence EGL15.

A copy of the notice provided to the ERA by CSBP Limited stating its intention to surrender EGL15 is available on the Authority's [website](#). The notice from CSBP Limited included the hard copy of EGL15.

On 15 May 2015, the Governor granted CSBP Limited a generation licence exemption in the *Electricity Industry Exemption Amendment Order 2015* for the generation activities authorised by EGL15. Therefore, CSBP Limited no longer requires EGL15.

Clause 8.4 of EGL15 states that the surrender of the licence will only take effect when the licensee has handed back its licence to the ERA and the ERA has published a notice of the surrender in the Western Australian Government Gazette (**Gazette**).

The ERA will publish a notice in the Gazette as soon as practicable.
