18 December 2015

Proposed Amendments to Western Power's Technical Rules

ADDENDUM

The Economic Regulation Authority (**ERA**) has today published an addendum to Western Power's Submission for [Amendments to the Technical Rules](#).

On 3 December 2015, the ERA published a submission from Western Power containing proposed amendments to the Technical Rules.

On 15 December 2015, Western Power submitted an addendum to its proposed revisions to the Technical Rules to the ERA. The addendum provided by Western Power consists of modified wording to clause 3.2.1(g)(2) of the technical rules.
