Public Submissions on the Economic Regulation Authority's Draft Decision on the Access Arrangement for the Goldfields Gas Pipeline

PUBLIC SUBMISSIONS RECEIVED

The Economic Regulation Authority (**ERA**) published a notice on 17 December 2015 inviting public submissions on its Draft Decision on Goldfields Gas Transmission Pty Ltd's (**GGT**) proposed revised access arrangement for the Goldfields Gas Pipeline (**GGP**).

A submission, including supporting reports, was received from GGT by the deadline of 4pm (WST) on 26 February 2016. At the same time, GGT also made a correction to its proposed revised access arrangement.

On 11 March 2016, the ERA accepted a late submission which was received from BHP Billiton Limited.

Copies of the public submissions and corrected proposed revised access arrangement are available on the [ERA's website](#).

The ERA appreciates input from interested parties on the Draft Decision and will consider the matters raised in submissions when preparing the Final Decision on the revisions to the proposed revised access arrangement for the GGP. The ERA intends to release its Final Decision around June 2016.
