## Consultation on application for water services licence

### WATER WEST NORTH DANDALUP PTY LTD

The Economic Regulation Authority (**ERA**) is seeking public comment on a water services licence application by Water West North Dandalup Pty Ltd to supply non potable water and sewerage services to the North Dandalup townsite expansion.

The grant of the licence is subject to the ERA being satisfied that it would not be contrary to the public interest and that, for each class of water service, the applicant has (or will have, within a reasonable time after the licence has been granted), and will likely retain, the financial and technical capacity to provide the service in the operating area(s) specified for the service.

The licence application can be found on the ERA's [website](#).

Interested parties are invited to make submissions on the licence application by **4:00 pm (WST) on 17 August 2016**. Submissions should be sent to the ERA and marked to the attention of the Assistant Director Licensing:
