Call for Expressions of Interest

GAS MARKETING CODE CONSULTATIVE COMMITTEE

The Economic Regulation Authority (**ERA**) is seeking to appoint three representatives from industry and three representatives from consumer groups as members of the Gas Marketing Code Consultative Committee (**GMCCC**) for a two-year term. Members will be appointed as individuals, not as representatives of an organisation.

The ERA established the GMCCC in 2006 to provide advice to the ERA on matters relating to the *Gas Marketing Code of Conduct* (**Code**). The Code regulates the behaviour of retailers and gas marketing agents supplying gas to residential and non-residential small use customers (customers who consume no more than 1 terajoule of gas per annum).

The *Energy Coordination Act 1994* requires the GMCCC to review the Code every two years. A copy of the GMCCC's [terms of reference](#) is available on the ERA website.

The two year membership term will commence on 1 October 2016. Members may be eligible for travel reimbursement and sitting fees.

To submit an expression of interest for one of these positions, please complete the [form](#) available on the ERA's website, by **4:00pm (WST) on Wednesday, 31 August 2016**, addressed to:
