

Agenda Item 6a: Concept Paper Overview

Below is a summary of the status of concept papers that are complete, currently being progressed by the IMO or planned to be initiated in the near future. Gaps in the number sequence indicate concept papers that the IMO has investigated, but subsequently discarded or progressed via the Rule Change Process.

Legend:

Shaded	Shaded rows indicate concept papers that have been completed since the last MAC meeting.
Unshaded	Unshaded rows are concept papers still being progressed.
Missing	Rows missing in the numerical sequence have either been completed or upon analysis the IMO has considered that the issue not be progressed at this stage.

#	Concept Paper	Status
3	MAC constitution and operating practices	Implementation of recommendations underway.
9	Prudential Security Issues	A concept paper covering the issues identified and potential solutions in underway.
10	Review of Market Rule Change Processes	The Market Rules Evolution Plan Ballot ranked a review of the Market Rule Change Process as eighth out of the thirteen issues identified. Therefore this concept paper will not be progressed at this stage.
11	Phase 2 Market Rules Evolution Plan (issue identification and draft work programme)	The IMO is currently preparing the next phase of the Market Rules Evolution Plan. This paper will look to scope the issues in greater detail (for the top 3 – 4 ranked issues) and set out a draft work programme. It is anticipated that this paper will be on the October MAC meeting agenda.
