ELECTRICITY INDUSTRY (WHOLESALE ELECTRICITY - MARKET)
REGULATIONS 2004
Wholesale Electricity Market Rules

IMO AMENDING RULES RC_2007_07 MADE ON 23 OCTOBER 2007

These Amending Rules commence at 08.00am on 20 November 2007

The following clauses are amended (~~deleted wording~~, new wording):

Clause 2.13.10

2.13.10 If the IMO becomes aware of an alleged breach of the Market Rules or Market Procedures, then ~~it must~~:

- (a) it must record the alleged breach;
- (b) it must investigate the alleged breach;
- (c) it must record the results of each investigation;
- (d) where it reasonably believes a breach of the Market Rules or Market Procedures has taken place, it may issue a warning to the Rule Participant to rectify the alleged breach. The warning must:
 - i. identify the clause or clauses of the Market Rules or the Market Procedures that the IMO believes has been, or are being, breached;
 - ii. describe the behaviour that comprises the alleged breach;
 - iii. request an explanation; and
 - iv. request that the alleged breach be rectified and a time (which the IMO considers reasonable) by which the alleged breach should be rectified; and
- (e) it must record the response of the Rule Participant to ~~the~~ any warning issued under clause 2.23.10(d).
