**1. Please provide your views on the proposal, including any objections or suggested revisions.**

System Management fully supports the intention of the proposal and the drafting of the Rule amendments.

The clarification of System Management requirements in terms of compliance and the increased reporting requirements can only benefit the SWIS and support the Market Objectives.

---

---

**2. Please provide an assessment whether the change will better facilitate the achievement of the Market Objectives.**

This Rule Change will ensure more efficient and effective Market processes in line with the Market Objectives.

---

---

**3. Please indicate if the proposed change will have any implications for your organisation (for example changes to your IT or business systems) and any costs involved in implementing these changes.**

This Rule Change and the revisions suggested by System Management would not involve any changes in System Management's IT systems.

---

**4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed.**

System Management will be able to alter internal processes to implement this Rule Change by the expected commencement date.
