

NOTICE OF PUBLIC WORKSHOP

The IMO wishes to inform Rule Participants of its intention to hold a public workshop regarding the following Rule Change Proposals:

- Updates to Commissioning Provisions (RC_2009_08); and
- Early Certified Reserve Capacity (RC_2009_10).

The details of the public workshop as follows:

Date: Monday, 24 August 2009

Time: 1.00 pm – 3.00 pm

Location: IMO Board Room
Level 3, Governor Stirling Tower
197 St George's Terrace, Perth.

A draft agenda for the workshop has been provided in this notice. A copy is also available on the respective pages for the rule changes on the IMO website at: <http://www.imowa.com.au>

If you would like to register for the workshop, please email your name and details to market.development@imowa.com.au by **12.00pm, Thursday 20 August 2009**.

As a result of holding the workshop, the IMO intends to extend the second submission period for RC_2009_08, under clause 2.5.10 of the Wholesale Electricity Market Rules (Market Rules), to allow interested stakeholders to take into account any discussions from this workshop in their submissions.

The IMO also intends to extend the time period for preparing the Final Rule Change Report for RC_2009_10 to take into account the workshop outcomes. Additional detail is noted in the notice of extension for both rule changes below.

Notwithstanding your potential participation in the workshop, the IMO would still encourage written input on the Draft Rule Change Report for RC_2009_08. The submissions are now due by **5.00pm, Friday, 4 September 2009** and the Final Rule Change Report is now scheduled to be completed by **Wednesday, 23 September 2009**. However, in accordance with clause 2.5.10 of the Market Rules, the IMO may further extend the normal timeframe for processing Rule Change Proposals if the need arises.

EXTENSION OF SECOND CONSULTATION PERIOD UNDER CLAUSE 2.5.12 OF THE MARKET RULES FOR RC_2009_08

In accordance with clause 2.5.10 of the Market Rules, the IMO has extended the timeframe for the second submission period for the Rule Change Proposal titled "Updates to Commissioning Provisions " (Ref: RC_2009_08).

The end date for the second submission period is extended until **5.00pm, Friday, 4 September 2009**. As a consequence of this extension, the remaining timelines for processing the proposal have been adjusted as follows:

Final Report Published: **Wednesday, 23 September 2009**

Reason for the extension

The IMO has decided to hold a workshop on for the Rule Change Proposal titled "Updates to Commissioning Provisions" (Ref: RC_2009_08) in order to address issues raised in submissions received during the first submission period.

As a result of holding the workshop, the IMO intends to extend the second consultation period, under clause 2.5.10, to allow Market Participants to take into account any discussions from this workshop in their submissions and has therefore has extended the second submission period accordingly.

Proposed Work Programme

- The IMO conducts workshop with Market Participants;
- Interested parties submit on the Draft Rule Change Report; and
- The IMO presents the outcomes and its decision in the Final Rule Change Report.

EXTENSION OF TIMEFRAME FOR PREPARING FINAL RULE CHANGE REPORT UNDER CLAUSE 2.5.12 OF THE MARKET RULES FOR RC_2009_10

In accordance with clause 2.5.10 of the Market Rules, the IMO has extended the timeframe for preparing the Final Rule Change Report for the Rule Change Proposal titled "Early Certified Reserve Capacity " (Ref: RC_2009_10).

The end date for preparing the Final Rule Change Report is extended until **Tuesday, 15 September 2009**.

Reason for the extension

The IMO has decided to hold a workshop on for the Rule Change Proposal titled "Early Certified Reserve Capacity" (Ref: RC_2009_10) in order to further discuss an alternative mechanism to the proposal, suggested during the second submission period.

As a result of holding the workshop, the IMO intends to extend the timeframe for preparing the Final Rule Change Report, under clause 2.5.10, to allow the IMO to take into account any discussions from this workshop.

Proposed Work Programme

- The IMO conducts workshop with Market Participants; and
- The IMO presents the outcomes and its decision in the Final Rule Change Report.
