

**EXTENSION OF THE TIMEFRAME FOR PREPARING THE FINAL RULE
CHANGE REPORT UNDER CLAUSE 2.5.12 OF THE MARKET RULES
FOR RC_2009_08**

In accordance with clause 2.5.10 of the Market Rules, the Independent Market Operator (IMO) has extended the timeframe for preparing the Final Rule Change Report for the Rule Change Proposal titled "Updates to Commissioning Provisions " (Ref: RC_2009_08).

The date for publication of the Final Rule Change Report is extended until **Friday, 18 December 2009**.

Reason for the extension

During the second submission period, a number of important points were raised, including some additional points which had not previously been brought to the IMO's attention, which require further analysis. The period for preparing the Final Rule Change Report needs to be extended to allow the IMO sufficient time to complete its analysis of the proposal and address the queries raised.

Proposed Work Programme

- The IMO undertakes further analysis of the proposal;
- The IMO presents the outcomes and its decision in the Final Rule Change Report.
