Submission

1. Please provide your views on the proposal, including any objections or suggested revisions

LGP supports the Rule Change on the grounds that it corrects an unintended consequence of an earlier rule change.

2. Please provide an assessment, whether the change will better facilitate the achievement of the Market Objectives

LGP considers that this rule change is concerned with maintaining the integrity of the rules and is therefore consistent with all objectives.

3. Please indicate if the proposed change will have any implications for your organisation, (for example changes to your IT or business systems) and any costs involved

LGP would incur no organisational costs as a consequence of adopting the change.

4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed

LGP would be able to implement this Rule Change immediately.
