Submission

1. Please provide your views on the proposal, including any objections or suggested revisions.

Synergy supports the IMO's proposal to amend the Market Rules in accordance with the Draft Rule Change Report for RC_2009_40 to allow for the provision of Load Following Service by Non-Scheduled Generators and Loads in addition to Scheduled Generators.

2. Please provide an assessment whether the change will better facilitate the achievement of the Market Objectives.

Synergy agrees with the IMO that the proposed changes will be consistent with all of the Market Objectives.

3. Please indicate if the proposed change will have any implications for your organisation (for example changes to your IT or business systems) and any costs involved in implementing these changes.

Synergy would not require any changes to IT or business systems nor incur any organisational costs as a consequence of adopting the proposed change.

4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed.

Synergy would be able to implement this rule change immediately.
