**1. Please provide your views on the proposal, including any objections or suggested revisions**

LGP supports the Rule Change on the grounds that they have no material impact on the substance of the Rules but are necessary to maintain their integrity.

---

**2. Please provide an assessment, whether the change will better facilitate the achievement of the Market Objectives**

LGP perceives the changes to have no material impact on the Rules but are necessary for tidy administration.

---

**3. Please indicate if the proposed change will have any implications for your organisation, (for example changes to your IT or business systems) and any costs involved**

LGP would incur no organisational costs as a consequence of adopting the change.

---

**4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed**

LGP would be able to implement this Rule Change immediately.
