

**EXTENSION OF THE TIMEFRAME FOR PREPARING THE FINAL RULE
CHANGE REPORT UNDER CLAUSE 2.5.12 OF THE MARKET RULES FOR
RC_2010_22**

In accordance with clause 2.5.10 of the Market Rules, the Independent Market Operator (IMO) has extended the timeframe for preparing the Final Rule Change Report for the Rule Change Proposal titled "Partial Commissioning of Intermittent Generators " (Ref: RC_2010_22).

The date for publication of the Final Rule Change Report is extended until **Friday, 22 July 2011**. Dates for subsequent steps of the rule change process are extended accordingly.

Reason for the extension

A number of important points were raised in submissions received during the second submission period. The period for preparing the Final Rule Change Report has been extended, to allow the IMO sufficient time to complete its assessment of the proposal and the issues raised.

Proposed Work Programme

- The IMO completes its assessment of the proposal and the issues raised in submissions.
- The IMO Board considers and approves the Final Rule Change Report.
- The IMO presents its final decision in the Final Rule Change Report.
