1. Please provide your views on the proposal, including any objections or suggested revisions

LGP supports the Rule Change Proposal on the grounds that it is a straightforward correction of a manifest error.

LGP supports use of the Fast Track process.

2. Please provide an assessment, whether the change will better facilitate the achievement of the Market Objectives

LGP considers that the correction is required to preserve the integrity of the Market Rules and is otherwise consistent with them.

3. Please indicate if the proposed change will have any implications for your organisation, (for example changes to your IT or business systems) and any costs involved

LGP will be unaffected by the change.

4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed

No action is required to implement the change
