

RULE CHANGE EXTENSION NOTICE

Four Month Commissioning Test Period for new generating systems

(RC_2012_15)

This notice of extension is given under clause 2.5.12 of the Market Rules.

Submitter:	The IMO
Date Originally Submitted:	8 October 2012
Date of Extension:	2 November 2012

Reasons for the Extension

In accordance with clause 2.5.10 of the Market Rules, the IMO has extended the timeframe for the publishing the Final Rule Change Report for the Rule Change Proposal titled Four Month Commissioning Test Period for new generating systems (RC_2012_15) by five Business Days.

The publication date for the Final Rule Change Report has been extended until Friday, 9 November 2012.

The period for preparing the Final Rule Change Report needs to be extended to allow the IMO sufficient time to complete its internal IMO Board review process for this Rule Change Proposal.

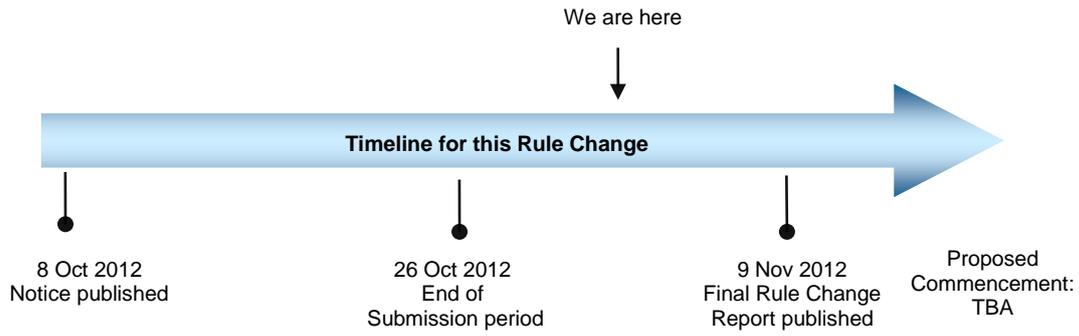

The extension is within the time limits prescribed in clause 2.5.11 of the Market Rules for a Rule Change Proposal subject to the Fast Track Rule Change Process.

Proposed Work Programme

- The IMO completes its internal IMO Board review process and presents its final decision in the Final Rule Change Report.

Extended Timeline

The projected timelines for processing this proposal, including the extension are:
