Determination of the Ancillary Service Margin Peak and Margin Off-Peak Parameters

2017-18 FINANCIAL YEAR

The ERA has determined the 2017/18 values for the Ancillary Service Margin_Peak to be 36 per cent and Margin_Off-Peak to be 64 per cent.

The Australian Energy Market Operator (AEMO) submitted its proposed 2017/18 Margin Values to the ERA on 30 November 2016.

The ERA published an issues paper on 28 December 2016 seeking comment from interested parties. One public submission was received, from Bluewaters Power.

The ERA's decision and the Bluewaters Power's submission are available on our [website](#).
