Submission

1. Please provide your views on the proposal, including any objections or suggested revisions

Community Electricity supports the Rule Change Proposal on the grounds that the proposed amendments implement the user-pays principle and clarifies the requirements for a successful application.

2. Please provide an assessment, whether the change will better facilitate the achievement of the Market Objectives

Community considers that the Rule Change will:

- promote Market Objective (c) [non-discrimination] by more properly allocating costs to users;
- promote Market Objectives (a) [efficiency] by allocating costs to users;
- promote Market Objective (d) [minimising costs] through clarifying the requirements of a successful application and thereby avoiding fruitless administration;

3. Please indicate if the proposed change will have any implications for your organisation, (for example changes to your IT or business systems) and any costs involved

The proposal has no implications for Community.

4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed
