Approval of amendments to the AER Retail Pty Ltd standard form contract

The Economic Regulation Authority (**ERA**) has approved amendments to the AER Retail Pty Ltd standard form contract for the supply of electricity to small use customers.

In October 2016, AER Retail Pty Ltd submitted an amended standard form contract for the ERA's approval. The ERA provided feedback to AER Retail Pty Ltd on the proposed amendments, and in response to this feedback AER Retail Pty Ltd submitted a revised contract in March 2017.

The ERA released the amended standard form contract for public consultation on 5 April 2017. No submissions were received.

Under the *Electricity Industry Act 2004 (Act)*, the ERA must not approve a standard form contract if it considers the contract does not meet the relevant regulations, the Act, any other written law, or any term, condition or provision of the electricity licence.

The ERA is satisfied that the amended standard form contract meets the requirements of the Act.

A copy of AER Retail Pty Ltds' amended [standard form contract](#) is available on the ERA website.
