Alinta Sales Pty Ltd standard form contract

PUBLICATION OF PUBLIC SUBMISSION

On 12 May 2017, the Economic Regulation Authority (**ERA**) invited comments on Alinta Sales Pty Ltd's proposed replacement [standard form contract](#) for the supply of electricity to small use customers (customers whose consumption of electricity is less than 160 megawatt hours a year).

The ERA received a [submission from Mr Stephen Stockwell](#), a copy of which is available on the ERA website.

The ERA will consider the matters raised in the submission when it makes a decision on whether to approve the standard form contract. Under the *Electricity Industry Act 2004* (**Act**), the ERA must not approve a standard form contract if it considers the contract does not meet the requirements of the Act, the relevant regulations, any other written law, or any term, condition or provision of the electricity retail licence.
