BHP Billiton Nickel West Pty Ltd

AMENDMENT OF THE ELECTRICITY DISTRIBUTION LICENCE AND ELECTRICITY RETAIL LICENCES

The Economic Regulation Authority (**ERA**) has approved minor amendments to BHP Billiton Nickel West Pty Ltd's Electricity Distribution Licence (**EDL2**) and Electricity Retail Licence (**ERL2**).

The minor amendments are to change the numbering and titles of the Northern Goldfields operating area maps for EDL2 and ERL2, to address an anomaly whereby the two maps had the same title and number.¹ No changes have been made to the operating areas in the maps.

Nickel West's Southern Goldfields operating area map remains unchanged (ERA-EL-071(B)).

The licence amendments are effective from 13 July 2017. Because these are minor licence amendments, and Nickel West agreed to them, the ERA considered it unnecessary to seek public comment on the amendments.

The following documents are available on the ERA's website:

- [EDL2, Version 8](#)
- [ERL2, Version 8](#)
- Maps: [ERA-EL-070/1](#) and [ERA-EL-070/2](#)
