Consultation on Southern Energy's electricity retail licence application

SOUTHERN ENERGY WA PTY LTD

The Economic Regulation Authority (**ERA**) is seeking public comment on an electricity retail licence application from Southern Energy WA Pty Ltd.

Southern Energy will supply electricity to large use customers¹ through the South-West Interconnected System, which covers the south-west of the state between Kalbarri and Albany and includes the Goldfields.

A summary of the licence application is available on the ERA [website](#).

The grant of a licence is subject to the ERA being satisfied that it would not be contrary to the public interest to do so and that the applicant:

- will acquire within a reasonable time after the grant, and is then likely to retain,

the financial and technical resources to undertake the activities authorised by the licence.

The ERA invites interested parties to make public submissions on the licence application by 16:00 (WST) on 10 November 2017. Please send submissions to the ERA marked for the attention of the Assistant Director, Utility Services Regulation:
