Inquiry into the efficient costs and tariffs for water

FINAL REPORT DELIVERED TO THE TREASURER

The Economic Regulation Authority (ERA) delivered its final report for its inquiry into the efficient costs and tariffs for the three government-owned water utilities to Treasurer Ben Wyatt on 10 November 2017.

The final report includes 32 recommendations, and incorporates findings from an extensive consultation process, including submissions received in response to an issues paper and draft report.

The ERA will publish the final report on its [website](#) after the Treasurer has tabled it in Parliament.

The ERA will not comment on the findings of the final report until this time.
