Draft findings on the review of Horizon Power's metrology procedure for the Horizon Power network

INVITATION FOR PUBLIC SUBMISSIONS

The Economic Regulation Authority (ERA) has published its [draft findings](#) on the review of Horizon Power's amended metrology procedure.

Interested parties are invited to make submissions on the draft findings. Submissions should be made online at www.erawa.com.au/consultation by 4:00pm (WST), Tuesday, 12 December 2017.

The ERA will consider any submissions received prior to preparing its final findings.

BACKGROUND

The metrology procedure provides guidance on the provision, installation and maintenance of metering installations connected to the Horizon Power network.

The ERA began its review of Horizon Power's metrology procedure in July 2017.

Final findings will be published by 28 December 2017.
