Dampier to Bunbury Natural Gas Pipeline

REFERENCE TARIFF VARIATION - 1 JANUARY 2018

The Economic Regulation Authority (ERA) has published an annual reference tariff variation for the Dampier to Bunbury Natural Gas Pipeline (DBNGP). The approved reference tariffs are 0.7 per cent higher than current reference tariffs.

The DBNGP access arrangement includes a requirement for the owner, DBNGP (WA) Nominees Pty Limited, to produce an annual tariff variation notice for its gas pipeline. This notice enables its users to understand the basis of the proposed tariff variation for 2018.

The ERA has verified that the proposed reference tariff variation is in accordance with the tariff variation mechanism in the current access arrangement.

The reference tariffs applicable to the DBNGP from 1 January 2018 are shown in the table below. DBNGP (WA) Nominees Pty Limited's letter notifying the ERA is available on our [website](#).
