Proposed Revisions to the Western Power Network Access Arrangement 2017/18 to 2021/22

PUBLICATION OF SUBMISSIONS

The Economic Regulation Authority (ERA) is currently conducting its review of Western Power's proposed revisions to its network access arrangement, submitted under the *Electricity Networks Access Code 2004*.

The submission period to respond to Western Power's proposed revisions to its network access arrangement and the ERA's Issues Paper has now closed.

Public submissions received by the ERA are now available on its [website](#).

BACKGROUND

The ERA published Western Power's proposed revisions on 6 October 2017 with an accompanying notice inviting public submissions.

The original deadline for submissions was extended to 4:00pm (WST), Monday, 11 December 2017 in response to a number of requests from interested parties seeking extra time to consider and respond to the information provided by Western Power in its submission to the ERA.
