Review of Western Power's Model Service Level Agreement

TIME EXTENDED FOR PUBLICATION OF DRAFT FINDINGS

The Economic Regulation Authority has extended the deadline to publish its draft findings on [Western Power's model service level agreement](#) to Friday 18 May 2018.

The ERA has determined that a time extension is necessary to enable consideration of relevant matters following publication of the ERA's draft decision on Western Power's proposed revisions to its access arrangement that is due to be published by 17 April 2018. The ERA is also satisfied that it has taken all reasonable steps to fully utilise the times and processes provided for in Part 6 of the *Electricity Industry (Metering) Code 2012* (Metering Code).

The extension is made under section 6.13(2) of the Metering Code.
