2017 Annual review of the effectiveness of the Synergy Regulatory Scheme

INVITATIONS FOR PUBLIC SUBMISSIONS

The Economic Regulation Authority (ERA) is seeking public comment on its annual review of the effectiveness of the Synergy Regulatory Scheme.

The scheme started when Verve Energy and Synergy merged on 1 January 2014 and began trading as Synergy.

The regulatory scheme imposes requirements on Synergy including ring fencing, business segregation, transfer pricing, non-discriminatory wholesale electricity trading, and standard product arrangements.

The ERA is seeking public comment on issues to assist with its review of the effectiveness of the scheme over the 2017 calendar year. A [discussion paper](#) is available to assist interested parties in preparing submissions.

The ERA will provide the results of the review to the Western Australian Minister for Energy later in the year.

Invitation for submissions

The ERA invites interested parties to make submissions on the [discussion paper](#).

The submission period closes 4:00 pm (WST) Tuesday, 24 April 2018.

Submissions should be lodged online using the form on our website www.erawa.com.au/consultation.
