Busselton Civil Pty Ltd

3. Please indicate who you represent:

Business or occupational licence holder

4. Which business or occupational licence(s) do you hold or are you affected by?

Extractive Industry Licence

Department of Water regulations

5. How do these business or occupational licences affect you and what suggestions do you have to improve them?

Extractive Industry Licences have become extremely onerous in recent years, in particular requirements of the Department of Water.

6. Are there aspects of the business and occupational licensing arrangements that affect you that are working well?

NA

7. Do you have any other comments?

Good initiative to seek business feedback. Additional efforts by the WA Government to reduce red tape for business would be welcome.
