Organisation (if responding on behalf of an organisation)

Engenium pty ltd

3. Please indicate who you represent:

Business or occupational licence holder

4. Which business or occupational licence(s) do you hold or are you affected by?

Mining Licences and approvals

5. How do these business or occupational licences affect you and what suggestions do you have to improve them?

They cost significant time and money to prepare responses to a growing number of govt agencies.
They can sometimes kill a project due to onerous conditions applied to projects.

They can also provide opportunities for us to provide support to principles who are struggling to respond appropriately to Govt agencies

6. Are there aspects of the business and occupational licensing arrangements that affect you that are working well?

7. Do you have any other comments?

Most companies have to employ a dedicated resources to traverse the approvals and licencing requirements for a project. This adds cost to a project.
