 Experience ▼

Resolution of large construction and engineering disputes is Karyn's particular area of interest. She has a detailed understanding of alternative dispute resolution practices, with recognised expertise in adjudication, mediation, arbitration and expert appraisal. Karyn also drafts and reviews documentation for major construction and engineering projects.

Karyn co-authored "The Adjudicator's Guide" and has determined numerous adjudication applications under the *Building and Construction Industry Payments Act*. Karyn has acted as both an arbitrator and mediator in numerous construction disputes.

Karyn has been named in *Best Lawyers™ Australia* as one of Australia's best lawyers in the field of Construction/Infrastructure Law.

Karyn's recent experience includes:

- **Gold Coast Light Rail Project:** Providing ongoing project and claims resolution advice;
- **Legacy Way Tunnel:** Acted on behalf of specialist subcontractor to resolve upstream and downstream disputes using various alternative dispute resolution strategies;
- **Wheatstone LNG Project:** Provided pre contract and then ongoing project and claims resolution advice to specialist subcontractor;
- **Gladstone Liquid Natural Gas Upstream Project:** Advised several suppliers and subcontractors; and
- **Gateway Upgrade Project:** Advised specialist subcontractor in relation to time related claims and dispute resolution strategies.
